Funds from the Carl Monroe golf tournament are available each school year to all coaches who have financial requests that will directly serve our student athletes. It is the philosophy of the Board of Directors to serve all student athletes in all individual or team sport on campus.

Please fill out the following request form and turn it into Mark Delgado. Each year Mark will keep the balance and expenditures of the funds in the school bank. All records are public and open for your information at any time. As with the funds available, just ask by sending in this request form to either one of us.
